## Growing Together

A small seminar where big ideas blossom

**“Growing Together” seminars are a chance for you to set aside some space for closer enquiry into the issue of income-generation.**

“Growing Together” seminars are intimate platforms for robust discussion with like-minded peers. How did the success stories get there? And how are they finding it now?

We will discuss the chances and challenges, trials and tribulations, benefits and rewards of generating income from trading goods and services.

Each seminar is designed around you the delegate. We will discuss with you the issues that you have and we will then build the seminar around you.

Each event will begin with a presentation by an experienced practitioner, who will join us not as a lecturer but as a fellow traveller – committed to sharing what s/he has learnt along the way.

This is an opportunity for a more detailed exploration of income generation than a conference allows.

## Cyd-dyfu

Seminar bach sy'n esgor ar syniadau mawr

**Mae'r seminarau “Cyd-dyfu” yn gyfle i chi neilltuo amser i ymchwilio ymhellach i'r mater o greu incwm.**

Mae'r seminarau “Cyd-dyfu” yn gyfle hwylus i gael trafodaethau trwyadl â chymheiriaid sydd o'r un feddwl â chi. Sut y gwnaethon nhw lwyddo? Sut maen nhw'n ymdopi a'u llwyddiant erbyn hyn?

Byddwn yn trafod y cyfleoedd a'r heriau, y treialon a'r trallodion, y manteision a'r budd a ddaw o greu incwm drwy werthu nwyddau a gwasanaethau.

Mae pob seminar wedi'i chynllunio o'ch cwmpas chi fel cynrychiolydd. Byddwn yn cael sgwrs â chi i weld pa fath o faterion sy'n eich wynebu ac yna byddwn yn teilwra'r seminar yn arbennig ar eich cyfer.

Bydd pob sesiwn yn dechrau gyda chyflwyniad gan ymarferydd profiadol, a fydd yn ymuno â ni nid fel darlithydd, ond yn hytrach fel cyd-deithiwr sy'n ymroddedig i rannu'r hyn y mae wedi'i ddysgu ar hyd y ffordd.

Mae hwn yn gyfle i archwilio'r mater o greu incwm yn fwy manwl nag y gellir ei wneud mewn cynhadledd.
